Kimberly Crawford  
Staff Attorney  
Indiana State Department of Health  
2 N. Meridian Street  
Indianapolis, IN 46204

Dear Ms. Crawford:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 09-682 and proposed by the Indiana State Department of Health ("ISDH"). The proposed rule adds 410 IAC 33 to establish an indoor air quality (IAQ) inspection, evaluation, and parent and employee notification program to assist schools and state agencies in improving indoor air quality and establish best practices and necessary minimum standards for IAQ in schools and state agencies, regulate items that affect the IAQ, specify when the department will inspect for IAQ, and establish requirements for parent or employee, or both, notification of IAQ evaluation findings.

The economic impact statement prepared by the ISDH indicates that 2009 legislation requires the promulgation of the proposed rule and it will result in no increased costs to small businesses since it applies to only schools and state agencies.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 232-8962 or [rasberry@iedc.in.gov](mailto:rasberry@iedc.in.gov).

Regards,

A handwritten signature in black ink that reads "Ryan Asberry". The signature is written in a cursive, flowing style.
